

TR03 Two-in-One

TR01 + TR02 combined together into a compact training course

- **Introduction to FMEA methodology (VDA, AIAG)**
- **FMEA project and organization**
- **Data organization, input und maintenance**
- **Creation of FMEA according to VDA and AIAG**
- **Searching for and reusing information**

The FMEA process serves to identify potential weaknesses, recognize and evaluate these weaknesses, and put suitable prevention/detection measures in place in good time.

The APIS IQ-Software helps users to set up FMEA. The software is perfectly adapted for the Windows environment. It already meets all of the expectations in terms of being able to reuse documented knowledge.

Target group	Managers and FMEA moderators-to-be from the areas of design/development, process planning and quality assurance. (Users of APIS IQ-FMEA, APIS IQ-RM)
Previous knowledge	- None -
Seminar duration	3 days
Seminar fees	Please refer to our list of seminar dates and fees.

General Terms of Business of German Industry & Commerce Greater China, Shanghai (GIC Shanghai)

Registration

All registrations for our seminars must be received in writing – by fax or e-mail. By registering for one of our seminars, customers agree to be bound by these General Terms of Business. Due to the limited number of places available for our seminars, they are awarded on a "first come, first served" basis. Registrations only become effective once they have been confirmed in writing. If the minimum number of participants is not attained for a particular seminar then we will notify you immediately and offer an alternative date if required.

Cancellation & Liability

A cancellation fee of 50% of the attendance fee is payable if cancellation notification is received between 8 weeks and 2 weeks before the start of the seminar. If the cancellation is received less than 2 weeks before the start of the seminar then the full attendance fee is payable. We appreciate your understanding in this matter. However, it is possible to appoint a substitute participant by arrangement. You will be notified immediately if an event needs to be canceled. In all cases the liability of GIC Shanghai is limited exclusively to the attendance fee.

Fees

For details of seminar fee, please refer to response sheet. All prices are quoted per participant and are subject to VAT. The seminar fee is payable without deductions after the invoice is issued.

Scope of Validity

These General Terms of Business apply to seminars of GIC Shanghai in cooperation with APIS Informationstechnologien GmbH. Any changes will only be valid if they are agreed in writing.

Data Protection

By registering for a place on one of our courses you agree to your data being electronically stored and processed for the purpose of dealing with your registration.

Teaching Materials

All rights reserved worldwide. The training documents must not, even in the form of excerpts, be duplicated, passed on, re-written, saved in a database or translated into a different language without the express written authorization of APIS Informationstechnologien GmbH. Duplication is not permitted either electronically, mechanically, magnetically or manually.
